Section 2 - Governing Principles of Employment

2-1. Equal Employment Opportunity

Genesis Management, LLC is an Equal Opportunity Employer that does not discriminate on the basis of actual or perceived race, color, creed, religion, national origin, ancestry, citizenship status, age, sex or gender (including pregnancy, childbirth, pregnancy-related conditions, and lactation), gender identity or expression (including transgender status), sexual orientation, marital status, military service and veteran status, physical or mental disability, genetic information, or any other characteristic protected by applicable federal, state, or local laws and ordinances. Genesis Management, LLC's management team is dedicated to this policy with respect to recruitment, hiring, placement, promotion, transfer, training, compensation, benefits, employee activities, access to facilities and programs, and general treatment during employment.

Any employees with questions or concerns about equal employment opportunities in the workplace are encouraged to bring these issues to the attention of Human Resources. Genesis Management LLC will not allow any form of retaliation against employees who raise issues of equal employment opportunity. If employees feel they have been subjected to any such retaliation, they should contact Human Resources. 2-2. Non-Harassment

It is Genesis Management, LLC's policy to prohibit intentional and unintentional harassment of or against job applicants, contractors, interns, volunteers or employees by another employee, supervisor, vendor, customer or any third party on the basis of actual or perceived race, color, creed, religion, national origin, ancestry, citizenship status, age, sex or gender (including pregnancy, childbirth and pregnancy-related conditions), gender identity or expression (including transgender status), sexual orientation, marital status, military service and veteran status, physical or mental disability, genetic information or any other characteristic protected by applicable federal, state or local laws (referred to as "protected characteristics"). Such conduct will not be tolerated by Genesis Management, LLC.

The purpose of this policy is not to regulate our employees' personal morality, but to ensure that no one harasses another individual in the workplace, including while on Genesis Management, LLC premises, while on Genesis Management, LLC business (whether or not on Genesis Management, LLC premises) or while representing Genesis Management, LLC. In addition to being a violation of this policy, harassment or retaliation based on any protected characteristic as defined by applicable federal, state, or local laws also is unlawful. For example, sexual harassment and retaliation against an individual because the individual filed a complaint of sexual harassment or because an individual aided, assisted or testified in an investigation or proceeding involving a complaint of sexual harassment as defined by applicable federal, state, or local laws are unlawful.

Harassment Defined

Harassment generally is defined in this policy as unwelcome verbal, visual or physical conduct that denigrates or shows hostility or aversion towards an individual because of any actual or perceived protected characteristic or has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Harassment can be verbal (including slurs, jokes, insults, epithets, gestures or teasing), visual (including offensive posters, symbols, cartoons, drawings, computer displays, text messages, social media posts or e-mails) or physical conduct (including physically threatening another, blocking someone's way, etc.). Such conduct violates this policy, even if it does not rise to the level of a violation of applicable federal, state or local laws. Because it is difficult to define unlawful harassment, employees are expected to behave at all times in a manner consistent with the intended purpose of this policy.

Sexual Harassment Defined

Sexual harassment can include all of the above actions, as well as other unwelcome conduct, such as unwelcome or unsolicited sexual advances, requests for sexual favors, conversations regarding sexual activities and other verbal, visual or physical conduct of a sexual nature when:

1. Submission to that conduct or those advances or requests is made either explicitly or implicitly a term or condition of an individual's employment; or
2. The conduct or advances or requests have the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Examples of conduct that violate this policy include:

2. Requests for sexual favors or demands for sexual favors in exchange for favorable treatment.
3. Obscene or vulgar gestures, posters, or comments.
4. Sexual jokes or comments about a person's body, sexual prowess, or sexual deficiencies.
5. Propositions or suggestive or insulting comments of a sexual nature.
6. Derogatory cartoons, posters, and drawings.
7. Sexually explicit e-mails, text messages or voicemails.
8. Uninvited touching of a sexual nature.
9. Unwelcome sexually related comments.
10. Conversation about one's own or someone else's sex life.
11. Conduct or comments consistently targeted at only one gender, even if the content is not sexual.
12. Teasing or other conduct directed toward a person because of the person's gender.

If the employee has been subjected to or witnessed conduct which violates this policy, the employee should immediately report the matter to the Head of Human Resources. If the employee is unable for any reason to contact this person, or if the employee has not received an initial response within five (5) business days after reporting any incident of what the employee perceives to be harassment, the employee should contact the Employee's Supervisor. If the person toward whom the complaint is directed is one of the individuals indicated above, the employee should contact any higher-level manager in the reporting hierarchy.

Investigation Procedures

Every report of perceived harassment will be fully investigated, and corrective action will be taken where appropriate. All complaints will be kept confidential to the extent possible, but confidentiality cannot be guaranteed. All employees must cooperate with all investigations conducted pursuant to this policy.

Retaliation Prohibited

In addition, Genesis Management LLC will not allow any form of retaliation against individuals who report unwelcome conduct to management or who cooperate in the investigations of such reports in accordance with this policy. If the employee has been subjected to any such retaliation, the employee should report it in the same manner in which the employee would report a claim of perceived harassment under this policy.

Violation of this policy including any improper retaliatory conduct will result in disciplinary action, up to and including termination.

2-3. Workplace Violence

Genesis Management LLC is strongly committed to providing a safe workplace. The purpose of this policy is to minimize the risk of personal injury to employees and damage to Genesis Management LLC and personal property.

Genesis Management, LLC does not expect employees to become experts in psychology or to physically subdue a threatening or violent individual. Indeed, Genesis Management LLC specifically discourages employees from engaging in any physical confrontation with a violent

For purposes of this policy, a threat includes any verbal or physical harassment or abuse, any attempt at intimidating or instilling fear in others, menacing gestures, flashing of weapons, stalking or any other hostile, aggressive, injurious, or destructive action undertaken for the purpose of domination or intimidation. To the extent permitted by law, employees and visitors are prohibited from carrying weapons onto Genesis Management LLC premises.

Procedures for Reporting a Threat

All potentially dangerous situations, including threats by co-workers, should be reported immediately to any member of management with whom the employee feels comfortable. Reports of threats may be maintained confidential to the extent maintaining confidentiality does not impede Genesis Management LLC's ability to investigate and respond to the complaints. All threats will be promptly investigated. All employees must cooperate with all investigations. No employee will be subjected to retaliation, intimidation, or disciplinary action because of reporting a threat in good faith under this policy.

If Genesis Management LLC determines, after an appropriate good faith investigation, that someone has violated this policy, Genesis Management LLC will take swift and appropriate corrective action.

Evaluation of AI tools - Employees must evaluate the utility and security of any AI tool before using it. This includes reviewing the tool's security features, terms of service, and privacy policy. Employees should also review the reputation of the tool developer and any third-party services used by the tool. But most importantly, employees must receive management approval prior to using any AI tool after explaining the way it will be used and the benefits to the business.

Protection of confidential data - In using any AI tool, employees must not upload or share any confidential, proprietary, or protected data without prior written approval from the Head of Human Resources. This includes data related to customers, employees, or partners. Similarly, employees must ensure that no AI tool does not utilize confidential or copyrighted information of a third party.

2-5. Drug-Free and Alcohol-Free Workplace

To help ensure a safe, healthy, and productive work environment for our employees and others, to protect Genesis Management LLC property, and to ensure efficient operations, Genesis Management LLC has adopted a policy of maintaining a workplace free of drugs and alcohol. This policy applies to all employees and other individuals who perform work for Genesis Management LLC.

The unlawful or unauthorized use, abuse, solicitation, theft, possession, transfer, purchase, sale or distribution of controlled substances (including medical marijuana), drug paraphernalia or alcohol by an individual anywhere on Genesis Management LLC premises, while on Genesis Management LLC business (whether or not on Genesis Management LLC premises) or while representing Genesis Management LLC, is strictly prohibited. Employees and other individuals who work for Genesis Management LLC also are prohibited from reporting to work or working while they are using or under the influence of alcohol or any controlled substances, which may impact the employee's ability to perform their job or otherwise pose safety concerns, except when the use is pursuant to a licensed medical practitioner's instructions and the licensed medical practitioner authorized the employee or individual to report to work. However, this exception does not extend any right to report to work under the influence of medical marijuana or to use medical marijuana as a defense to a positive drug test, to the extent the employee is subject to any drug testing requirement, except as permitted by and in accordance with applicable law. This restriction does not apply to responsible drinking of alcohol at business meetings and related social outings.

Violation of this policy will result in disciplinary action, up to and including discharge.

Genesis Management LLC maintains a policy of non-discrimination and will endeavor to make reasonable accommodations to assist individuals recovering from substance and alcohol dependencies, and those who have a medical history which reflects treatment for substance abuse conditions. However, employees may not request accommodation to avoid discipline for a policy violation. We encourage employees to seek assistance before their substance abuse or alcohol misuse renders them unable to perform the essential functions of their jobs, or jeopardizes the health and safety of any Genesis Management LLC employee, including themselves.

Employees must notify Genesis Management, LLC within five calendar days if they are convicted of a criminal drug violation in the workplace. Within ten (10) days of such notification or other actual notice, Genesis Management LLC will advise the contracting agency of such a conviction.

All employees are hereby advised that full compliance with the foregoing policy shall be a condition of employment at Genesis Management LLC. Any employee who violates the foregoing drug-free workplace policy described above shall be subject to discipline up to and including immediate discharge.

In the discretion of Genesis Management LLC, any employee who violates the drug-free workplace policy may be required, in connection with or in lieu of disciplinary sanctions, to participate to Genesis Management LLC's satisfaction in an approved drug assistance or rehabilitation program.

In order to maintain a drug-free workplace, Genesis Management LLC has established a drug-free awareness program to educate employees on the dangers of drug abuse in the workplace, our drug-free workplace policy, the availability of any drug-free counseling, rehabilitation and employee assistance programs and the penalties that may be imposed for violations of our drug-free workplace policy. Section 3 - Employment Standards and Practices

3-1. Working Hours and Schedule

Genesis Management LLC is normally open for business from 8am to 5pm Central Standard Time, Monday through Friday.

Employees will be assigned a work schedule and will be expected to begin and end work according to the schedule. To accommodate the needs of the business, at some point Genesis Management LLC may need to change individual work schedules on either a short-term or long-term basis.

Employees will be provided with meal and rest periods as required by law. Each workday, full-time Employees are provided with 2 rest periods of 15 minutes in length and a mandatory 30-minute unpaid meal break. To the extent possible, rest periods will be provided in the middle of work periods. All full-time Employees who work eight or more hours in a day are required to take an unpaid break of 30-minutes. All Employees must take a full 30-minute lunch break, away from their desk, and be fully relieved from all active responsibilities. All Employees are permitted a 15-minute paid rest break for each four-hour work period. Employees must not be absent from their workstations beyond the allotted rest period. Management will schedule these breaks and it is mandatory that schedules are followed to allow for a smooth transition.

3-2. Employment Records

In order to obtain their position, employees have provided personal information, such as address and telephone number. This information is contained in their personnel file.

Employees should keep their personnel file up to date by informing the Head of Human Resources of any changes. Employees also should inform the Head of Human Resources of any specialized training or skills they acquire, as well as any changes to any required visas. Unreported changes of address, marital status, etc. can affect withholding tax and benefit coverage. Further, an "out of date" emergency contact or an inability to reach employees in a crisis could cause a severe health or safety risk or other significant problem.

Employment Applications

Genesis Management, LLC relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in the exclusion of the individual from further consideration for employment or, if the person has been hired, termination of employment.

3-3. 90-Day Initial Training Period

The initial training period is intended to give new and re-hired employees the opportunity to demonstrate their ability to achieve a satisfactory level of performance and attendance to determine whether the new position meets their expectations. Genesis Management LLC uses this period (90-day probationary period) to evaluate employee abilities, work habits, attendance and overall performance. Either the employee or Genesis Management LLC may end the employment relationship at will at any time during or after the initial training period, with or without cause or advance notice. Any significant unexcused absences and/or tardy and early departure could extend an initial training period by the length determined by management. If Genesis Management LLC determines that the designated introductory period does not allow sufficient time to thoroughly evaluate the employee's performance, the introductory period may be extended to a specified period.

3-4. Record Retention

Genesis Management, LLC acknowledges its responsibility to preserve information relating to litigation, audits and investigations. Failure on the part of employees to follow this policy can result in possible civil and criminal sanctions against Genesis Management LLC and its employees and possible disciplinary action against responsible individuals (up to and including discharge of the employee). Each employee has an obligation to contact the Human Resources Department to inform them of potential or actual litigation, external audit, investigation, or similar proceedings involving Genesis Management LLC that may have an impact on record retention protocols.

3-5. Hiring Relatives/Employee Relationships

A familial relationship among employees can create an actual or at least a potential conflict of interest in the employment setting, especially where one relative supervises another relative. To avoid this problem, Genesis Management, LLC may refuse to hire or place a relative in a position where the potential for favoritism or conflict exists.

In other cases, such as personal relationships where a conflict or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or discharged from employment, at the discretion of Genesis Management, LLC. Accordingly, all parties to any type of intimate personal relationship must inform management.

If two employees marry, become related, or enter into an intimate relationship, they may not remain in a reporting relationship or in positions where one individual may affect the compensation or other terms or conditions of employment of the other individual. Genesis Management LLC generally will attempt to identify other available positions, but if no alternate position is available, Genesis Management LLC retains the right to decide which employee will remain with Genesis Management LLC.

For the purposes of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

3-6. Employee Transfers

To the extent possible transfers will be allowed that will benefit the employee and the company. This will be a management decision as to whether or not this will be allowed. However, for security reasons employees that work in the IT Department will not be allowed to transfer out of IT into a different company or department. In addition, all employees requesting consideration for a transfer must be employed for a minimum of 90-days and have no disciplinary warnings or plans within the said time frame.

3-7. Employee Relations

Genesis Management LLC believes that the work conditions, wages, and benefits it offers to its employees are competitive with those offered by other employers in this area and in this industry. If employees have concerns about work conditions or compensation, they are strongly encouraged to voice these concerns openly and directly to their supervisors and/or Human Resources. Genesis Management LLC has adopted an open-door policy; Our experience has shown that when employees deal openly and directly with supervisors and managers, the work environment can be excellent, communications can be clear, and attitudes can be positive. We believe that Genesis Management LLC amply demonstrates its commitment to employees by responding effectively to employee concerns.

3-8. References

Genesis Management LLC will respond to reference requests through the Human Resources Department. Genesis Management LLC will provide general information concerning the employee such as date of hire, date of discharge, and positions held. Requests for reference information must be in writing, and responses will be in writing. Please refer all requests for references to the Human Resources Department. Only the Human Resources Department can provide references.

Section 4 - Compensation And Pay Practices

4-1. Punctuality and Attendance

Employees are hired to perform important functions at Genesis Management LLC. As with any group effort, operating effectively takes cooperation and commitment from everyone. Therefore, attendance and punctuality are very important. Unnecessary absences and lateness are expensive, disruptive and place an unfair burden on fellow employees and Supervisors. We expect excellent attendance from all employees. Excessive absenteeism or tardiness will result in disciplinary action up to and including discharge.

We do recognize, however, there are times when absences and tardiness cannot be avoided. In such cases, employees are expected to notify Human Resources either by email at hr@genesishpo.com or phone call 55 4624 0111 as early as possible, but no later than 30 minutes after the start of the work shift. Asking another employee, friend or relative to give this notice is improper and constitutes grounds for disciplinary action. Employees should call, stating the nature of the illness and its expected duration, for every day of absenteeism.

Unreported absences of four (4) workdays in a 30-day period, generally will be considered a termination of employment with Genesis Management LLC.

Job Abandonment is when an employee leaves without permission or authorization during their scheduled work hours. This can be terms for termination.

Attendance Points

Genesis Management LLC uses a point system based on a 3-month period to keep track of attendance and the number of occurrences which can be found in ADP. The employee begins the 3-month rolling period when they receive their first incident. This policy utilizes progressive discipline to ensure the employee is aware of the serious nature of accumulating points and can take proactive steps to align attendance behaviors within the guidelines of the policy. It is the employee's responsibility to ensure that they are using the time clock system appropriately. Those who chronically do not punch the clock appropriately will accumulate points per occurrence under this policy.

- Occurrence Points Assessed Absent – Call in 1 point.
- Absent – No call 2 points.
- Tardy ½ point.
- Early departure ½ point.
- Double points will accrue for any absences, late arrivals/returns, and early departures on Monday and Friday. In addition, absences the day before or the day after a holiday will also be double points.

Appropriate points will be assessed for each occurrence. If an employee has an attendance problem, management will enforce this policy for said employee. Excessive absenteeism is defined as three or more occurrences of unexcused absence in a 30-day period and will result in disciplinary action. Employees with three or more consecutive days of excused absences because of illness or injury must give Genesis Management, LLC's Human Resources proof medical attention from the IMSS and a fitness for duty release prior to returning to work.

Absence

"Absence" is defined as the failure of an employee to report for work when he or she is scheduled to work. The two types of absences are defined below:

1. Excused absence occurs when all the following conditions are met:
 - a. The employee provides his or her supervisor or human resources sufficient notice at least 48 hours in advance of the absence.
 - b. The absence request is approved in advance by the employee's supervisor.
 - c. The employee must notify their supervisor or human resources at least 30 minutes prior to the employee's scheduled starting time on that same day.
 - d. Excused absences will be granted for childbirth, death of an immediate family member (parent, spouse, children) medical appointments, and unavoidable emergencies. In these cases, employees must provide acceptable documentation to human resources within 48 hours.

2. If an immediate family member requires that you take them to get medical attention, you will need to provide medical documentation within 24hrs so that this can be justified.
 - a. An immediate family member is defined as:
 - i. Spouse.
 - ii. Children under the age of 18.
 - iii. Parents over the age of 65.

Unexcused absence occurs when any of the above conditions are not met, and points will be applied.

Unscheduled Absence with a Doctor's Excuse – Any unscheduled absence (s) which requires the employee to miss days of work, MAY be considered a single occurrence and may have points waived IF a doctor's written excuse is provided on the employee's first day back to work. The doctor's excuse must be in writing, state the dates the employee or immediate family member was under the doctor's care, include a release to work and the doctor's signature from a Family Doctor's Office, Urgent care facilities, hospital, clinic etc. The employee should send an email to hr@genesishpo.com and to their direct supervisor and manager explaining their reason for absence without a scheduled leave.

No Call / No Show is when an employee does not report to work and does not call to report an absence. Genesis Management, LLC considers not calling within the first hour of the shift as a no call / no show. The first occurrence will result in 2 points being assessed. Three occurrences within a 90-day period will result in automatic termination. However, since an employee's initial training is critical to their success, a No Call / No Show during the 90-day introductory period will result in automatic termination.

Job Abandonment

Any employee who fails to report to work for a period of four consecutive days or more without notifying his or her supervisor will be considered to have abandoned the job and termination of the employment will be processed.

Attendance Progressive Disciplinary Actions

Progressive disciplinary action up to and including termination based on the following point system:

- 6 points - Verbal Warning
- 8 points - Written Warning
- 10 points - Final Written Warning
- 12 points - Subject to Termination

4-2. Timekeeping Procedures

Employees must record their actual time worked for payroll and benefit purposes by punching in and out on ADP. Employees must record the time work begins and ends, as well as the beginning and ending time of any departure from work and for any non-work-related reason, on forms as prescribed by management. Only when an employee is ready to start working should they clock in. If an employee clocks in and then leaves their workstation for any amount of time, that may be considered as stealing company time and could result in termination.

It is the employee's responsibility to sign time records to certify the accuracy of all time recorded. Any errors in the time record should be reported immediately to a supervisor, who will notify Human Resources via email at hr@genesishpo.com. Altering, falsifying, or tampering with time records is prohibited and subjects the employee to discipline, up to and including discharge.

4-3. Your Paycheck

Employees will be paid bi-weekly for all the time worked during the past pay period. All employees are paid bi-weekly every other Friday. Each paycheck will include earnings for all work performed through the end of the previous payroll period. Pay Periods are from Monday through the following Sunday with the payday proceeding Friday. Employees will have their pay directly deposited into their bank accounts. The company does not provide pay advances on unearned wages to employees. In the event that a regularly scheduled payday falls on a day off such as a holiday, employees will receive pay on the last day of work before the regularly scheduled payday.

Payroll stubs itemize deductions made from gross earnings. By law, Genesis Management LLC is required to make deductions for IMSS, ISR and any other appropriate taxes. These required deductions also may include any court-ordered garnishments. Payroll stubs also will differentiate between regular pay received and overtime pay received. Section 6 - Operational Policies

6-1. Progressive Discipline Policy and Procedure

Genesis Management, LLC progressive discipline policy and procedure is intended to be a guideline for the corrective action process designed to improve performance and prevent repeating patterns of substandard behavior and attendance. Genesis Management LLC reserves the right to combine or skip steps depending upon the facts of each situation, nature of the offense, and intent of behavior. Employees will be provided with a copy of the documentation she/he is asked to sign. All documentation will be entered, acknowledged, and stored in ADP.

The steps of the procedure are:

1. Verbal Warning
2. Written Warning
3. Coaching plan and/or Final Written
 - a. Suspension without pay
4. Termination

Verbal Warning

A verbal warning is designed to provide the employee with knowledge of an existing performance, conduct, or attendance issue. The employee is provided specific information and details regarding the situation and/or violation of company policy and/or procedure. During the conversation, the supervisor will provide clearly defined expectations and actions the employee must take to improve performance or resolve the situation. The employee will be asked to sign a document demonstrating the employee's understanding of the issue and corrective action needed.

Written Warning

A written warning is a more formal documentation of the performance, conduct, compliance, or attendance issue and consequence. The written warning will contain specific information regarding any additional incidents or information about performance, conduct, or attendance issues as well as any prior relevant corrective action plans. The written warning will contain specific and actionable steps the employee will need to take in order to immediately improve and sustain performance and/or alleviate ongoing issues/concerns. The document will state that immediate and sustained corrective action is necessary or the employee will be subject to additional discipline up to and including termination. The employee will be asked to sign a document demonstrating the employee's understanding of the issues and corrective action needed. For employees that are bonus eligible, a written warning or higher will result in point deductions that will negatively affect the bonus earnings potential for the employee during the month or quarter applicable to a violation of conduct or compliance.

Coaching Plan

In some cases, it is necessary to execute a coaching plan. The coaching plan will be a detailed plan of the problems that are being observed, measurable performance indicators and an action plan that will need to be met to stay on pace and additional resources/training sessions offered to the employee. Coaching plans are typically used for several issues with performance that may have been a result of poor training, communication, management, etc. An employee that will have the opportunity to make improvements under this probationary period will have no attendance issues, will have a positive attitude, and have the motivation to learn and do the position for which they were hired. Coaching Plans are no guarantee of continued employment, but the guarantee that any employee will be given a fair chance/ timeframe to improve and can be ended at any point management sees fit, usually based on progression in performance.

Final Written Warning

A final written warning is the last opportunity to provide the employee with knowledge of the performance, conduct, compliance, or attendance issue and the opportunity to immediately improve and sustain the performance and/or behavior. The employee will be asked to sign a document demonstrating the employee's understanding of the issues and corrective action needed. There may be performance, conduct, compliance, or safety incidents so egregious and/or harmful to the business, employees, and leaders that the most effective action

may be to immediately remove the employee from the workplace. When immediate action is necessary to ensure the safety of the employees or others, the supervisor, in communication with Human Resources, may suspend the employee pending the results of an investigation.

Suspension Without Pay

Depending on the seriousness of the infraction, the employee may be suspended without pay, consistent with federal, state, and local wage and hour employment laws. Employees may not substitute or use a paid vacation in lieu of the unpaid suspension.

Termination

The last and most serious step in the progressive discipline procedure is termination of employment. Generally, Genesis Management LLC will try to exercise the progressive nature of this policy by first providing coaching and subsequent warnings before proceeding to terminate employment. However, Genesis Management LLC reserves the right to combine and skip steps depending upon the circumstances of each situation and the nature of the offense. Furthermore, employees may be terminated without prior notice or disciplinary action. The employee will be asked to sign the final document demonstrating the employee's understanding of the issues and that the resolution is termination of employment.

Receipt Of Non-Harassment Policy

It is Genesis Management LLC's policy to prohibit intentional and unintentional harassment of or against job applicants, contractors, interns, volunteers or employees by another employee, supervisor, vendor, customer or any third party on the basis of actual or perceived race, color, creed, religion, national origin, ancestry, citizenship status, age, sex or gender (including pregnancy, childbirth and pregnancy-related conditions), gender identity or expression (including transgender status), sexual orientation, marital status, military service and veteran status, physical or mental disability, genetic information or any other characteristic protected by applicable federal, state or local laws (referred to as "protected characteristics"). Such conduct will not be tolerated by Genesis Management LLC.

The purpose of this policy is not to regulate our employees' personal morality, but to ensure that no one harasses another individual in the workplace, including while on Genesis Management LLC premises, while on Genesis Management LLC business (whether or not on Genesis Management LLC premises) or while representing Genesis Management LLC. In addition to being a violation of this policy, harassment or retaliation based on any protected characteristic as defined by applicable federal, state, or local laws also is unlawful. For example, sexual harassment and retaliation against an individual because the individual filed a complaint of sexual harassment or because an individual aided, assisted or testified in an investigation or proceeding involving a complaint of sexual harassment as defined by applicable federal, state, or local laws are unlawful.

Harassment Defined

Harassment generally is defined in this policy as unwelcome verbal, visual or physical conduct that denigrates or shows hostility or aversion towards an individual because of any actual or perceived protected characteristic or has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Harassment can be verbal (including slurs, jokes, insults, epithets, gestures or teasing), visual (including offensive posters, symbols, cartoons, drawings, computer displays, text messages, social media posts or e-mails) or physical conduct (including physically threatening another, blocking someone's way, etc.). Such conduct violates this policy, even if it does not rise to the level of a violation of applicable federal, state, or local laws. Because it is difficult to define unlawful harassment, employees are expected to behave at all times in a manner consistent with the intended purpose of this policy.

Sexual Harassment Defined

Sexual harassment can include all of the above actions, as well as other unwelcome conduct, such as unwelcome or unsolicited sexual advances, requests for sexual favors, conversations regarding sexual activities and other verbal, visual or physical conduct of a sexual nature when:

- a) Submission to that conduct or those advances or requests is made either explicitly or implicitly a term or condition of an individual's employment; or
- b) submission to or rejection of the conduct or advances or requests by an individual is used as the basis for employment decisions affecting the individual; or
- c) the conduct or advances or requests have the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Examples of conduct that violate this policy include:

- 1) Unwelcome flirtations, leering, whistling, touching, pinching, assault, blocking normal movement.
- 2) Requests for sexual favors or demands for sexual favors in exchange for favorable treatment.
- 3) Obscene or vulgar gestures, posters, or comments.
- 4) Sexual jokes or comments about a person's body, sexual prowess, or sexual deficiencies.
- 5) Propositions or suggestive or insulting comments of a sexual nature.
- 6) Derogatory cartoons, posters, and drawings.
- 7) Sexually explicit e-mails, text messages or voicemails.
- 8) Uninvited touching of a sexual nature.
- 9) Unwelcome sexually related comments.
- 10) Conversation about one's own or someone else's sex life.
- 11) Conduct or comments consistently targeted at only one gender, even if the content is not sexual.

12) Teasing or other conduct directed toward a person because of the person's gender.

Reporting Procedures

If the employee has been subjected to or witnessed conduct which violates this policy, the employee should immediately report the matter to the Head of Human Resources. If the employee is unable for any reason to contact this person, or if the employee has not received an initial response within five (5) business days after reporting any incident of what the employee perceives to be harassment, the employee should contact the Employee's Supervisor. If the person toward whom the complaint is directed is one of the individuals indicated above, the employee should contact any higher-level manager in the reporting hierarchy.

Investigation Procedures

Every report of perceived harassment will be fully investigated, and corrective action will be taken where appropriate. All complaints will be kept confidential to the extent possible, but confidentiality cannot be guaranteed. All employees must cooperate with all investigations conducted pursuant to this policy.

Retaliation Prohibited

In addition, Genesis Management, LLC will not allow any form of retaliation against individuals who report unwelcome conduct to management or who cooperate in the investigations of such reports in accordance with this policy. If the employee has been subjected to any such retaliation, the employee should report it in the same manner in which the employee would report a claim of perceived harassment under this policy.

Violation of this policy including any improper retaliatory conduct will result in disciplinary action, up to and including termination.

I have read and I understand Genesis Management, LLC's Non-Harassment Policy.
